**AR5100 RUST REMOVER BEFORE
AND AFTER PICTURES**

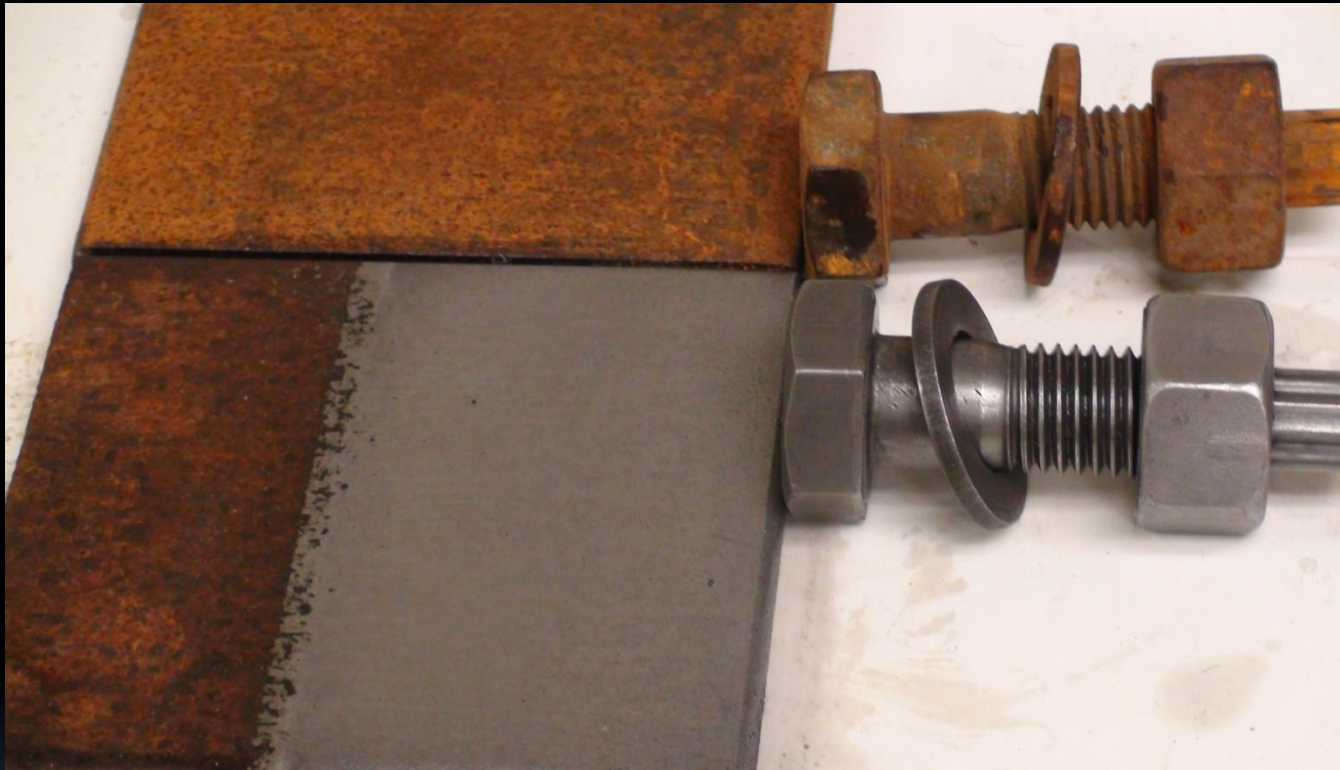

RUST REMOVAL CONVENIENCE

- AR5100 is an industrial strength product which is diluted with up to 85% water
- Create a bath in a 5 gallon pail and whenever you need to remove rust from tools, parts, knives, etc. drop it in for up to 12 hours, usually 2 hours is enough then rinse off with water
- The solution can be used over and over again for one year

As used by Jay Leno Garage
